

Dear All, Please find attached the unit wise lane allocation for the 10M Air Rifle NR events.

The same [Google Sheet](#) will be used to complete lane allocations for all NR events and is now open for access by the respective unit managers. Athletes are kindly requested to reach out to their respective unit managers for lane allocation details. If you are unable to contact your unit manager, please get in touch with the RTS Office immediately for assistance.

**If any club/unit manager has not yet received access to the Google Sheet, please contact the Office or RTS immediately.** In case a shooter's name does not appear while searching, kindly reach out to RTS instead of entering the name manually. Also, ensure that lane allocations are made only in the rows corresponding to your respective club or unit.

Thank you for your cooperation. Regards, RTS Jury
